

Determination Advice Notes:

1. This is a development approval issued under the City of Vincent Local Planning Scheme No. 2 and the Metropolitan Region Scheme only. It is not a building permit or approval to commence or carry out development under any other law. It is the responsibility of the applicant/owner to obtain any other necessary approvals and to commence and carry out development in accordance with all other laws.
2. With reference to Condition 1, the owners of the subject land shall obtain consent of the owners of relevant adjoining properties before entering those properties in order to make good the boundary walls.
3. With reference to Condition 3, no further consideration shall be given to the disposal of stormwater 'offsite' without the submission of a geotechnical report from a qualified consultant. Should approval to dispose of stormwater 'offsite' be subsequently provided, detailed design drainage plans and associated calculations for the proposed stormwater disposal shall be lodged together with the building permit application working drawings.
4. A security bond shall be lodged with the City by the applicant, prior to the issue of a building permit. This bond will be held until all building/development works have been completed and any disturbance of, or damage to the City's infrastructure in the Right of Way and the verge along Redfern Street, including verge trees, has been repaired/reinstated to the satisfaction of the City. An application for the refund of the security bond shall be made in writing. The bond is non-transferable.
5. The Right of Way shall remain open at all times and must not be used to store any building or other material or be obstructed in any way. The Right of Way surface (sealed or unsealed) shall be maintained in a trafficable condition for the duration of the works. If at the completion of the development the Right of Way condition has deteriorated, the applicant/developer shall make good the surface to the full satisfaction of the City.
6. If the applicant or owner is aggrieved by this determination there is a right of review by the State Administrative Tribunal in accordance with the *Planning and Development Act 2005* Part 14. An application must be made within 28 days of the determination.
