

Determination Advice Notes:

1. This is a development approval issued under the City of Vincent Local Planning Scheme No. 2 and Metropolitan Region Scheme only. It is not a building permit or an approval to commence or carry out development under any other law. It is the responsibility of the applicant/owner to obtain any other necessary approvals and to commence and carry out development in accordance with all other laws.
2. With reference to Condition 5, no further consideration shall be given to the disposal of stormwater 'offsite' without the submission of a geotechnical report from a qualified consultant. Should approval to dispose of stormwater 'offsite' be subsequently provided, detailed design drainage plans and associated calculations for the proposed stormwater disposal shall be lodged together with the building permit application working drawings.
3. The Right of Way shall remain open at all times and must not be used to store any building or other material or be obstructed in any way. The Right of Way surface (sealed or unsealed) shall be maintained in a trafficable condition for the duration of the works. If at the completion of the development the Right of Way condition has deteriorated, the applicant/developer shall make good the surface to the full satisfaction of the City.
4. Any new signage that does not comply with the City's Policy No. 7.5.2 – Signs and Advertising shall be subject to a separate Development Application and all signage shall be subject to a Building Permit Application, being submitted and approved prior to the erection of the sign.
5. If an applicant or owner is aggrieved by this determination there is a right of review by the State Administrative Tribunal in accordance with the *Planning and Development Act 2005* Part 14. An application must be made within 28 days of the determination.
