7 ANNOUNCEMENTS BY THE PRESIDING MEMBER (WITHOUT DISCUSSION)

The Presiding Member Emma Cole made the following announcement:

7.1 INFRASTRUCTURE PROJECTS

We have kicked off 2019 with some significant infrastructure projects. North Perth Common is currently under construction and should be completed by April 2019. We are also doing some work up at Oxford Street North which is the Oxford Street part of the Mount Hawthorn Town Centre where we have just laid some new red asphalt, we will be adding 38 new street trees, we will be angling to make this a slow speed shared space for all with a central median strip and lots more bike racks and some motor cycle bays. This will unify the street scape within the Scarborough Beach Road part of the Mount Hawthorn Town Centre and is a much overdue upgrade for this section of the street. We are really excited to see that in progress.

7.2 ANNUAL COMMUNITY BUDGET SUBMISSIONS

We opened our annual community budget submissions on Friday which will be open for one month. This is the opportunity for all of our community members, community groups, residents and ratepayers to put forward ideas to include in our 2019-20 budget. We have had some very successful applications in the past that have led to some great community outcomes such as doubling Hyde Street Reserve. We are doing some work at Jack Marks Park at the moment for new seating and paving, and we’ve installed a perimeter path at Les Lilleyman Reserve. These are some ideas of the sorts of things that have come through the process and been approved by Council.

7.3 EVENT SEASON

Our event season continues. It’s been going gangbusters over January and continues into February with Leedy Palooza launching on Friday and then following up with Leederville Open Streets for a month of great fun and quirky activities happening in Leederville. Also just to mention that we have released our latest well and wise seniors Calendar of Events for over 65s in Vincent.

8 DECLARATIONS OF INTEREST

8.1 Cr Gontaszewski declared an impartiality interest in Item 9.1 – the extent of her interest is that she has an acquaintance with the applicant, Mr Joe Chindarsi of Chindarsi Architects.

8.2 Cr Loden declared an impartiality interest in Item 9.3 - the extent of his interest being he has a personal association with one of the affected residents through his involvement with the Fathering Project.

8.3 Cr Harley declared an impartiality interest in Item 9.5 – the extent of her interest being that she owns a property in the street adjacent to laneway 8.

COUNCIL DECISION ITEM 9.3

ALTERNATIVE MOTION

Moved: Cr Gontaszewski, Seconded: Cr Loden

That Council, in accordance with Section 31 of the State Administrative Tribunal Act 2004, the provisions of the City of Vincent Local Planning Scheme No. 2 and the Metropolitan Region Scheme, REFUSES the application for two single dwellings at No. 48 and 48A (Lot 201, 202 on D/P: 413236) Egina Street, Mount Hawthorn, for the following reasons:

1. As a consequence of the bulk, scale and dominating appearance of the proposed garages of the single houses, the proposed development:

   (a) is not compatible with the established residential area in which it is located and is, therefore, inconsistent with an objective of the Residential zone under the Scheme;
   (b) is not compatible with its setting (clause 67(m) of the deemed provisions in schedule 2 of the Planning and Development ( Local Planning Schemes) Regulations 2015); and
   (c) would have an adverse impact on the amenity of the locality (clause 67(n) of the deemed provisions).

2. Contrary to an objective of the Residential zone under the Scheme, the design of the proposed development is contrary to sustainability principles because:

   (a) the landscaping design would restrict solar access and ventilation to private open space areas of the single houses; and
   (b) the building design, including a two storey boundary wall, would restrict solar access and ventilation to No. 48 Egina Street, Mount Hawthorn.

3. The matters referred to in paragraphs 2(a) and (b) would have an adverse impact on the
amenity of the occupants of the proposed development.

4. Adequate landscaping on-site has not been provided to reduce the impact of the proposed development on adjoining properties and the streetscape (clause 67(p) of the deemed provisions).

REASON

The proposed development is not appropriate and not compatible in this locality in considering the matters to which Council must have due regard in making its decision with respect to a development application and in considering community submissions.
