7 ANNOUNCEMENTS BY THE PRESIDING MEMBER (WITHOUT DISUSSION)

At 7:07 pm, Cr Dan Loden left the meeting.

The Presiding Member Emma Cole made the following announcement:

7.1 FOOD ORGANICS/GARDEN ORGANICS (FOGO)

On this evenings agenda we have the consideration of moving to a FOGO three bin system and this is potentially one of the biggest decisions for our residents in recent years. In response to some of the commentary that was raised around energy from waste it is probably also worth noting that the City did delve deeply into this issue through our own Mindarie Regional Council recently where we were part of a tender process and we a very familiar with energy from waste. It is obviously open to Council this evening but we did give, in principal, our support to FOGO in December and at that point it was looking at what options were available to Council. Now that the state government has mandated that all local governments should move to FOGO by 2025 we are one of the early uptakes in this area

At 7:08 pm, Cr Dan Loden returned to the meeting.

7.2 BUDGET SUBMISSIONS

Our community budget submissions process has just closed and we have been very fortunate to have received 55 submissions for our 2019/20 budget and we are very excited to see all of the fantastic ideas that our community members have put forward.
