3 (A) PUBLIC QUESTION TIME AND RECEIVING OF PUBLIC STATEMENTS

The following is a summary of questions and submissions received and responses provided at the meeting. This is not a verbatim record of comments made at the meeting.

1. Amie Groom of Mt Lawley – Item 9.7

- Spoke against the recommendation.
- Queried whether the strata company has been consulted in respect to the use of the car park.
- Commented on the number of car parking bays required and how that impacts the car parking shortfall.

The Presiding Member Mayor Emma Cole thanked Ms Groom for her comments.

2. Ralph Groom of Mt Lawley – Item 9.7

- Represented the Council of Owners of 157 Harold Street.
- Spoke against the recommendation.
- Stated that the strata company has not approved the application being made.
- Stated that the car park will not be accessible by users of the proposed medical centre as only accessible with a swipe card.
- Stated that the application should be revisited to determine what parking bays are available.

The Presiding Member Mayor Emma Cole thanked Mr Groom for his comments.

3. Chris Marsh of Perth – Item 9.6

- Spoke against the proposed development and officer recommendation.
- Stated that short term, transient accommodation would erode the neighbourhood.

The Presiding Member Mayor Emma Cole thanked Mr Marsh for his comments.

4. Allan Stewart of Perth – Item 9.6:

- Spoke against the proposed development and officer recommendation.
- Stated that the management plan would not work effectively.
- Noted that it was non-residential use and therefore needed to be considered in context of neighbourhood.
- Raised concerns about traffic and noise, especially parking impacting on streetscape.

The Presiding Member Mayor Emma Cole thanked Mr Stewart for his comments.

5. Louisa Leung of Perth – Item 9.6:

- Resides adjacent to the proposed development.

7 ANNOUNCEMENTS BY THE PRESIDING MEMBER (WITHOUT DISCUSSION)

The Presiding Member Emma Cole made the following announcements:

7.1 PERTH MOSQUE CHRISTCHURCH MEMORIAL SERVICE

A week ago on Saturday 24 March, there was a significant event held outside the Perth Mosque. It was referred to by one of our residents this evening, Mr Chris Marsh, and at the briefing last week. It was a memorial held outside the Perth Mosque for the tragedy in Christchurch and it was certainly worthy of mentioning because it was a very significant coming together of people after a tragedy. The Perth Mosque held an open day, opened their doors, offering some incredible hospitality within the Mosque. It was a lovely opportunity for people to share stories, to come together, to meet, to eat together. There were speeches and I think one of the things that was particularly moving was to see both Haka for Life and Corroboree for Life perform both the Haka and a cultural ceremony. This ceremony really had at its heart the first people of both New Zealand and Australia. Speeches from members of the Muslim community were incredibly inclusively, spoke incredibly well and I think that everyone who attended felt that it was a really fantastic event to bring people together and to demonstrate unity at a time of distress over an incredible tragedy and an act of extremism in New Zealand. A wonderful opportunity and we thank the Perth Mosque for opening their doors to our community.

7.2 INTEGRATED TRANSPORT PLAN CONSULTATION

Our Integrated Transport Plan is open for consultation. This is about all things transport, whether you are walking, riding a scooter, cycling a bike, public transport – you name it, we're interested. We did have a forum on Saturday at the North Perth Town Hall and do have a survey and onsite consultation open until 13 April and welcome all feedback to write an Integrated Transport Plan that really sets us up sustainably for our future.

7.3 40KM/HOUR SPEED ZONE TRIAL

Also on transport, it's worth noting that our 40km/hour speed zone trial does start on the 29 April. It's finally happening after us talking about it for about two and a half years. It's really great to see this underway and I look forward to working with the Office of Road Safety to study the results of that trial to see what comes of that.

7.4 INFRASTRUCTURE PROJECTS

We have some significant infrastructure projects underway at the moment. We have been closing a few roads which can create some headaches for people but we think the results will be worthwhile and should be fantastic for our town centres. We are currently constructing the Leederville Village Square on Newcastle Street; we've reached a significant milestone with North Perth Common in that we are now just waiting for the overhead circular light artwork to be put in place; and also at Oxford Street North we have done significant road works up there and planted trees on Sunday which is great to see and will hopefully really cool down the town centre and make it look beautiful too.

7.5 NORTHBRIDGE COMMON

I'd like to say congratulations to Northbridge Common for a fantastic Neighbour Day event at Stewart Street Reserve on Sunday. It was simple and just about bringing people together and it really created an incredibly warm and friendly neighbourhood feeling. It goes to show that our town centres don't have to do anything fancy to bring people together, they just have to be welcoming, do it well and really entice neighbours out into the local park together.

7.6 NATIVE PLANTS SALE

This Saturday is our very popular Native Plant Sale and Sustainability Pop-up. It does start at 8am and if you want the Kangaroo Paws I recommend that you get there at 8am on the dot.

8 DECLARATIONS OF INTEREST

- 8.1 Cr. Josh Topelberg disclosed a financial interest in Item 9.8 – No. 58 (Lot: 301 & 302; D/P: 34680) Kalgoorlie Street, Mount Hawthorn – Single House. The extent of his interest is that the applicant is a current client of Cr Topelberg's business. Cr Topelberg is not seeking approval to participate in the debate or remain in the Chambers or vote on the matter.

ALTERNATIVE RECOMMENDATION

Moved: Cr Topelberg, **Seconded:** Cr Harley

That Council, REFUSES the application for a change of use from Educational Establishment to Medical Centre at No. 131 (Lot: 131; S/P: 62106) Harold Street, Highgate, for the following reasons:

1. The proposed development is inconsistent with the City of Vincent's Local Planning Scheme No. 2 and the objectives of the residential zone as the development is proposed to operate at a scale and intensity that is not compatible or complementary to the surrounding residential development as a result of the proposed parking, vehicle access and the shop use;
2. The reliance on parking bays required by condition 2(c) of Council's decision 10 May 2011 which require these bays to be common property; and
3. The lack of a waste management plan to address the requirements of the radiology clinic proposed as part of the application.

That Council, in accordance with Section 31 of the State Administrative Tribunal Act 2004, the provisions of the City of Vincent Local Planning Scheme No. 2 and the Metropolitan Region Scheme, SETS ASIDE its decision of 9 October 2018 and REFUSES the application for the Change of Use from Single House to Unlisted Use (Short Term Dwelling) at No. 8 (Lot: 38; D/P: 4576) Moir Street, Perth, for the following reasons:

1. As a consequence of the intensity of the proposed Short Term Dwelling, the development would result in noise, parking and traffic impacts on an established low density residential heritage area that:
 - 1.1 are not compatible or complementary with the adjoining residential development and is contrary to an objective of the Residential zone under the Scheme;
 - 1.2 would have a detrimental impact on the existing residential amenity of the immediate low density residential heritage area; and
 - 1.3 would have an adverse impact on the established residential heritage character of the locality;
2. The proposal does not satisfy the intent of Clause 13 of the *Brookman and Moir Streets Development Guidelines* as it incorporates the use of a car parking bay in the front setback for commercial purposes.

REASON

To refuse the application on the basis that the development will unreasonably impact the amenity of the surrounding residential properties. The proposed land use will adversely impact the existing character of the neighbourhood and is an incompatible land use.
