7 ANNOUNCEMENTS BY THE PRESIDING MEMBER (WITHOUT DISCUSSION)

The Presiding Member Emma Cole made the following announcements:

7.1 POP UP PLAY

This is a trial of play that is supposed to be very creative and free with a low cost to deliver so that we can test it out for our youth community in Vincent. It was an area that was identified in our Public Open Space Strategy as a gap in that we have play equipment for younger children but we do have a gap when it comes to our older kids and teenagers and we will need to provide more challenging play for those age groups.

The City has been rolling out a series of Pop Up Plays around our reserves. We’ve done some free play at Woodville Reserve where the kids are building things out of logs and pallets and the City has been providing those raw materials to the children who have been constructing, building and digging tracks. Most recently we rolled out a bike trail and pump track at Britannia Reserve. Despite the fact we have only done about half of the trail, kids, dads, mums are out there riding it and building jumps using logs that Main Roads have given us for free and it’s fantastic to see the community really embracing and being excited. We are also looking at parkour equipment which is bars which kids love to hang off and jump on.

7.2 NORTH PERTH COMMON

On 15 June we opened North Perth Common which was a great turnout and good demonstration of how the space can be used. This new heart for North Perth is a flexible, iconic, people-friendly space. Designed to be closed to cars, it will bring economic activation to North Perth, promote renewal and investment in the town centre and more foot traffic for our small businesses.

7.3 KAYA WANDOO FESTIVAL

On Saturday 6 July we are holding the Kaya Wandoo Festival at the North Perth Town Hall. In partnership with Noongar Radio – Vincent Locals we will be celebrating NAIDOC Week, Noongar Radio’s 10th birthday and the launch of our new Innovate Reconciliation Action Plan.

7.3 MICK QUIRK LEAVING THE CITY OF VINCENT

Mick started with us on 2 May 2016, just over three years ago. He is moving on to an amazing career opportunity at our neighbours – City of Stirling as Director Community Development. Thank you for all you have achieved, sweated over, the late meetings, and the highs and lows of local government life.

Some things about Mick:

- Lives and works community life - talks the talk and walks the walk
- Fantastic community negotiation and re-builder of relationships
- Personable and genuine, great compassion
- Good sense of humour, very rarely bit hot under the collar
- Understands community context, built great partnerships
- On the ground – reaches out, takes down barriers, sees opportunities
- Best emails I’ve ever seen, empathetic but firm

Mick has taught me everything I know about sport and is good at sport. Staff describe him as surprisingly sprinty ‘Sporty Spice’ at team cricket and netball events!

Mick has delivered some really great outcomes, the more memorable were:

- Public Open Space Strategy;
- Refocussing customer service;
- Amazing reconciliation work;
- New and deeper partnerships, with sports clubs, Noongar Outreach Services, ANZAC Cottage, LGBTQI+ partners, Perth Mosque, St Patricks Day Committee;
- Work with Space to Co.; and
- A fair and human approach to parking infringements.
Some tricky issues that Mick has worked with and achieved good outcomes:

- Selling of the community bus;
- Negotiating ultimate deal between ANZAC Cottage and Vietnam Vets;
- Building bridges with Subiaco and East Fremantle footy clubs; and
- Turning a corner with Floreat Athena Football Club.

Mick has developed great working relationships with the community, surmised in the following quotes:

John Thompson – Oxford Foyer
“I always found Mick to be responsive, kind, and generous with his time. He listened to requests from me about gender diversity in the city’s forms to the temporary parking permits we desperately needed to help facilitate necessary construction works. I note that Mick’s departure comes just before a review of the parking permits in Leederville, but I’m sure that’s just a coincidence. Thanks for your support of Foyer Oxford, and for your contribution to the successful transition of over 500 young people from homelessness to independence.”

Peter Capes – Subiaco Football Club
“On more than one occasion I tried to convert him to the Lions, who as it happens, appear to be on a pretty good roll the last 20 or so years Mick! Other than a bit of footy fun, I will no doubt miss you Mick. You have always made yourself available and even when the conversations were a bit tough you didn’t shirk the issue. Together we now have a great understanding with the COV and good working relationships across a wide range of people – and that is mostly thanks to you! Well done on your new position, a pity, but well done all the same. Next time we flog the Sharks you will be front of mind.”

Anne Chapel & Pete Ramsay, Friends of ANZAC Cottage
“Your help and understanding with all things ANZAC Cottage will always be appreciated by the Friends of ANZAC Cottage. It was you and the MOU that inspired us and gave us the confidence we needed to ‘stick out necks out’ and undertake projects such as the bus stop project. You are now officially a part of the ANZAC Cottage story, Thank you”.

Andrew Rigg – YMCA HQ
“I have worked with Mick via my role as Youth Services Manager at YMCA HQ for the past 3 years. Mick has always been very supportive of the work we do at HQ and has always been available to help sort out issues and to provide support when required. I have enjoyed working with Mick and on behalf of the whole team at HQ wish him all the very best for the future. I am sure he will be greatly missed at the City of Vincent.”

Thankful for your time with us and we wish you every success on your amazing career journey in local government. Great that you’re staying in the sector, as we need people like Mick in local government.

For: Mayor Cole, Cr Gontaszewski, Cr Castle, Cr Fotakis, Cr Harley, Cr Loden, Cr Murphy and Cr Topelberg

Against: Nil

(Cr Hallett was on approved leave of absence for the Meeting.)

REASON:

Development of a comprehensive, upfront Public Engagement and Communications Strategy, including use of the Community Panel, will allow us to test some of the concerns and issues expressed in the community following the Notice of Motion adopted by Council on 2 April 2019. It will also allow for consideration of a broader range of options in response to the issues raised, and for those to inform consultation with the community.

Given the current hard waste (junk) service is an annual free and unlimited service, I do not believe that it would meet community expectation or be reasonable to cease to provide a service. Therefore, I do not see merit in advertising ‘cease to provide the service’ as an option.
