7 ANNOUNCEMENTS BY THE PRESIDING MEMBER (WITHOUT DISUSSION)

The Presiding Member Emma Cole made the following announcements:

7.1 FUNDING HOMELESSNESS OUTREACH AT WELD SQUARE

The City has recently announced support for homelessness at Weld Square. We have joined together with UnitingCare West to fund an outreach worker to work at Weld Square five days a week. Hush, the new outreach worker, has been working with UnitingCare West for some time and is very familiar with local faces who attend and use services. Hush will be specifically targeting and helping people who have not been engaging with the services.

This is part of our approach under the banner of the City Homelessness Framework Committee which aims to work with our existing, highly skilled and not for profit services and the City of Perth to try to find ways to deal with the causes of homelessness and to deal with that in a way that is meaningful and long term.

We are really happy to welcome our new outreach worker to Weld Square.

7.2 NATIONAL TREE DAY

National Tree day is happening at Banks Reserve this Sunday at 8am. We are asking our local community to come down and join us to plan 5000 native plants which sounds like an almighty task but it is incredible to see. Last year we achieved this at Les Lilleyman Reserve and this year we are doing more planting at Banks Reserve.

7.3 NATASHA BROOKS LEAVING THE CITY OF VINCENT

Also just to note that Natasha Brooks, our wonderful governance officer, is attending her last Council Meeting this evening. Natasha is going on to a great opportunity in State Government so I just wanted to say a very big thank you to Tash and wish her all the best from Council.

RECOMMENDATION:

That Council, in accordance with the provisions of the City of Vincent Local Planning Scheme No. 2 and the Metropolitan Region Scheme, APPROVES the application for three Grouped Dwellings at No. 110 (Lots: 228 and 229; D/P: 2503) Coogee Street, Mount Hawthorn, in accordance with the plans shown in Attachment 4, subject to the following conditions, with the associated determination advice notes in Attachment 7:

1. Extent of Approval

   This approval is for three grouped dwellings as shown on the approved plans dated 17 June 2019, 18 June 2019 and 26 June 2019. No other development forms part of this approval;

2. Boundary Walls

   The owners of the subject land shall finish and maintain the surface of the boundary wall facing No. 112 Coogee Street in a good and clean condition prior to practical completion of the development to the satisfaction of the City. The finish of the boundary walls is to be face brickwork to the satisfaction of the City;

3. Car Parking and Access

   3.1 The car parking and access areas shall be sealed, drained and paved in accordance with the approved plans and are to comply with the requirements of AS2890.1 prior to occupancy or use of the development;

   3.2 Vehicle access points are required to match into existing footpath levels; and

   3.3 All new crossovers shall be constructed in accordance with the City’s Standard Crossover Specifications;

4. Clothes Drying Facility

   All external clothes drying areas shall be adequately screened in accordance with State Planning Policy 7.3: Residential Design Codes Volume 1 prior to the use or occupation of the development and shall be completed to the satisfaction of the City;

5. External Fixtures

   All external fixtures, such as television antennas (of a non-standard type), radio and other antennae, satellite dishes, solar panels, external hot water heaters, air conditioners, and the like, shall not be visible from the street(s), are designed integrally with the building, and be
located so as not to be visually obtrusive;

6. **Landscape and Reticulation Plan**

   6.1 An updated detailed landscape and reticulation plan for the development site and adjoining road verge, to the satisfaction of the City, shall be lodged with and approved by the City prior to lodgement of a Building Permit. The plan shall be drawn to a maximum scale of 1:200 and show the following:

   - The location and type of existing and proposed trees and plants;
   - Areas to be irrigated or reticulated;
   - The provision of a minimum of 19 percent deep soil area, as defined by the City’s Policy No. 7.1.1 – Built Form;
   - The provision of a minimum of 31.4 percent canopy coverage at maturity, as defined by the City’s Policy No. 7.1.1 – Built Form; and
   - The provision of three additional street trees, with a planting size of at least 200 litres, within the verge of Woodstock Street adjoining the development shall be provided at the full expense of the landowner. The tree species is to be approved by the City;

   6.2 All works shown in the plans as identified in Condition 6.1 above shall be undertaken in accordance with the approved plans to the City’s satisfaction, prior to occupancy or use of the development and maintained thereafter to the satisfaction of the City at the expense of the owners/occupiers;

7. **Stormwater**

   All stormwater produced on the subject land shall be retained on site by suitable means to the satisfaction of the City;

8. **Street Walls and Fences**

   The fencing infill panels above the approved solid portions of wall shall be visually permeable in accordance with State Planning Policy 7.3: Residential Design Codes Volume 1, to the satisfaction of the City;

9. **Verge Tree**

   With the exception of the verge tree that is in conflict with the Unit 1 crossover to Coogee Street, no other verge trees shall be removed without the prior written approval of the City. The verge trees shall be retained and protected from any damage including unauthorised pruning, to the satisfaction of the City;

10. **Amalgamation of Lots**

    Prior to the lodgement of a Building Permit application for the proposed development, Lot 228 and Lot 229 (‘the Lots’) are to be amalgamated into a single lot on a Certificate of Title; or alternatively, the owner entering into a legal agreement with the City and secured by an absolute caveat lodged over the certificates of title to the Lots requiring the amalgamation to be completed within twelve months of the issue of a Building Permit for the proposed works.

    The owner shall be responsible to pay all costs associated with the City’s solicitor’s costs incidental to the preparation of (including all drafts) and stamping of the agreement and lodgement of the absolute caveat;

11. **Visual Privacy**

    Prior to occupancy or use of the development, all privacy screening shall be visually impermeable and is to comply in all respects with the requirements of Clause 5.4.1 of the Residential Design Codes (Visual Privacy) deemed to comply provisions, to the satisfaction of the City;
12. Sight Lines

RECOMMENDATION:

That Council in accordance with the provisions of the City of Vincent Local Planning Scheme No. 2 and the Metropolitan Region Scheme, APPROVES the application for development approval for six Multiple Dwellings and Home Office at No. 66 (Lots: 1 & 11; D/P: 5285) Lindsay Street, Perth, in accordance with the plans shown in Attachment 2 subject to the following conditions, with the associated advice notes in Attachment 6:

1. Amalgamation of Lots

Prior to the lodgement of a Building Permit application for the proposed development, Lot 1 and Lot 11 ("the Lots") are to be amalgamated into a single lot on a Certificate of Title; or alternatively, the owner entering into a legal agreement with the City and secured by an absolute caveat lodged over the certificates of title to the Lots requiring the amalgamation to be completed within twelve months of the issue of a Building Permit for the proposed works.

The owner shall be responsible to pay all costs associated with the City’s solicitor’s costs incidental to the preparation of (including all drafts) and stamping of the agreement and lodgement of the absolute caveat;

2. Use of Premises

2.1 The use of the room on the ground level associated with Apartment 1 indicated as ‘Home Office’ of the approved plans shall only be used in accordance with the definition of Home Office within the City of Vincent Local Planning Scheme No. 2 as follows:

Home Office means a dwelling used by an occupier of the dwelling to carry out a home occupation if the carrying out of the occupation –

(a) is solely within the dwelling; and

(b) does not entail clients or customers travelling to and from the dwelling; and

(c) does not involve the display of a sign on the premises; and

(d) does not require any change to the external appearance of the dwelling; and

2.2 The 20 square metre room on the ground floor located adjacent to the vehicle entrance to the development shall be used as a communal space for activities associated with the Multiple Dwellings and for the exclusive use of residents that does not entail clients or customers travelling to and from the site;

3. Car Parking, Access and Bicycle Facilities

3.1 A minimum of 12 parking bays for the residents of the Multiple Dwellings shall be
provided on the site, with a minimum of two car parking bays allocated to each Multiple Dwelling;

3.2 All walls, letterboxes or fences above 0.75 metres in height to be constructed within 1.5 metres of where the vehicle access point adjoins the public street, as indicated on the approved plans dated 11 June 2019, are to be visually permeable in accordance with the definition of State Planning Policy 7.3 Residential Design Codes, unless otherwise approved by the City;

3.3 Vehicle and pedestrian access points shall match into existing footpath levels to the satisfaction of the City;

3.4 The car park shall be used only by owners and visitors directly associated with the development;

3.5 The approved sliding gate and security infill panels to the car parking area shall be visually permeable in accordance with the definition of Visually Permeable in the State Planning Policy 7.3: Residential Design Codes Volume 2 – Apartments;

3.6 Prior to the first occupation of the development, the car parking spaces provided for the residential component of the development shall be clearly marked and sign posted for the exclusive use of the residents of the development and shall not be in a tandem arrangement unless they service the same residential unit/dwelling;

3.7 The applicant shall agree in writing to provide a notice on any Sales Contract to advise prospective purchasers that the City of Vincent will not issue a residential or visitor car parking permit to any owner or occupier of the residential dwellings; and

3.8 Bicycle Parking

A minimum of one short-term bicycle bay shall be provided for where possible within the development. The bicycle bay shall be designed in accordance with AS2890.3 and installed prior to occupation to the satisfaction of the City; or

Should there be no suitable location for a short-term bicycle facility to be available on-site, a cash-in-lieu contribution of $400 shall be paid to the City for the shortfall of one short-term bicycle bay, based on the cost of $400 per Class 3 bicycle parking facility, prior to the occupation of development;

4. Access Management Plan

4.1 Prior to occupation of the development an Access Management Plan shall be submitted to and approved by the City. The access management plan is to include the following:

- Detailed management measures for the operation of the vehicular entry gate, to ensure access is readily available for owners/visitors/tenants to the residential units at all times; and

4.2 The Plan as identified in Condition 4.1 above shall be implemented and shall be maintained thereafter to the satisfaction of the City at the expense of the owners/occupiers;

5. Boundary Walls

The owners of the subject land shall finish and maintain the surface of the boundary wall facing No. 255 Beaufort Street, No. 247 Beaufort Street and No. 243 Beaufort Street, in a good and clean condition prior to the practical completion of the development and thereafter maintained to the satisfaction of the City;

6. Visual Privacy

6.1 Privacy screening to a height of 1.6 metres above the finished floor level as indicated on
the approved plans. All privacy screening shall be visually impermeable and is to comply with the Acceptable Outcomes of the State Planning Policy 7.3: Residential Design Codes Volume 2 – Apartments, to the satisfaction of the City; and

6.2 All screening is to be shown on the plans at the time of lodging a building permit and must be installed prior to occupation of the development;

7. Building Design

7.1 Doors and windows and adjacent floor areas fronting Lindsay Street shall provide an active and interactive relationship to the street to the satisfaction of the City and shall be maintained thereafter to the satisfaction of the City;

7.2 Ground floor glazing and/or tinting shall be a minimum of 70 percent visually permeable to provide unobstructed visibility. Darkened, obscured, mirrored or tinted glass or other similar materials as considered by the City is prohibited; and

7.3 The awning within the Lindsay Street road reservation attached to the façade of the building shall be designed to be removable, to the satisfaction of the City;

8. Schedule of External Finishes

Prior to the commencement of development, a detailed schedule of external finishes (including materials, colour schemes and details) shall be submitted to and approved by the City. The development shall be finished in accordance with the approved schedule prior to the use or occupation of the development;

9. External Fixtures

All external fixtures, such as television antennas (of a non-standard type), radio and other antennas, satellite dishes, solar panels, external hot water heaters, air conditioners, and the like, shall not be visible from the street(s), are designed integrally with the building, and be located so as not to be visually obstructive;

10. Clothes Drying Facilities

Each multiple dwelling shall be provided with a clothes drying area screened from the public realm in accordance with State Planning Policy 7.3: Residential Design Codes Volume 2 – Apartments, to the satisfaction of the City, prior to the occupation or use of the development;

11. Landscaping

11.1 An updated detailed landscape and reticulation plan for the development site and adjoining road verge, to the satisfaction of the City, shall be lodged with and approved by the City prior to lodgement of a Building Permit. The plan shall be drawn to a maximum scale of 1:200 and show the following:

- The location and type of existing and proposed trees and plants, and on-structure planting;
- Areas to be irrigated or reticulated;
- The provision of 7.8 percent deep soil area as defined by State Planning Policy 7.3 Residential Design Codes: Volume 2 – Apartments;
- The provision of two medium size trees, in accordance with the Acceptable Outcomes of Element 3.3 Tree Canopy and Deep Soil Areas of State Planning Policy 7.3 Residential Design Codes Volume 2 – Apartments, contributing towards 11.7 percent canopy coverage within deep soil zones provided and within the side and rear setback areas. The tree species are to be in accordance with the City’s recommended tree species list; and
- Provision of at least two trees, with a planting size of at least 200 litres, within the verge of Lindsay Street adjoining the development shall be provided at the full expense of the landowner. The tree species is to be approved by the City;
11.2 All works shown in the approved plans as identified in Condition 11.1 above shall be undertaken in accordance with the approved plans to the City’s satisfaction, prior to the occupancy or use of the development and maintained thereafter to the satisfaction of the City at the expense of the owners/occupiers;

Prior to the lodgement of a Building Permit, a revised Acoustic Report in accordance with the City’s Policy No. 7.5.21 – Sound Attenuation shall be lodged with and approved by the City. All of the recommended measures included in the revised Acoustic Report shall be implemented to the satisfaction of the City prior to the occupation or use of the development and shall be maintained thereafter to the satisfaction of the City at the expense of the owners/occupiers. The engagement and implementation of the recommendations by the acoustic consultant are to be at the applicant’s expense;

13. Waste Management

13.1 A Waste Management Plan prepared to the satisfaction of the City shall be submitted and approved by the City; and

13.2 Waste management for the development shall thereafter comply with the approved Waste Management Plan;

14. Construction Management Plan

A Construction Management Plan that details how the construction of the development will be managed to minimise the impact on the surrounding area shall be lodged with and approved by the City prior to the commencement of the development. The Construction Management Plan is required to address the following concerns that relate to any works to take place on the site:

- Public safety, amenity and site security;
- Contact details of essential site personnel;
- Construction operating hours;
- Noise control and vibration management;
- Dilapidation Reports of nearby properties;
- Air, sand and dust management;
- Stormwater and sediment control;
