1 DECLARATION OF OPENING / ACKNOWLEDGEMENT OF COUNTRY

The Presiding Member, Mayor Emma Cole declared the meeting open at 6.01pm and read the following Acknowledgement of Country statement:

“The City of Vincent would like to acknowledge the Traditional Owners of the land, the Whadjuk people of the Noongar nation and pay our respects to Elders past, present and emerging”.

2 APOLOGIES / MEMBERS ON LEAVE OF ABSENCE

Apology and request for leave of absence for period 17 March 2010 to 8 April 2020, inclusive (see **Item 4**) was received from Cr Dan Loden – North Ward.

3 (A) PUBLIC QUESTION TIME AND RECEIVING OF PUBLIC STATEMENTS

The following is a summary of questions and submissions received and responses provided at the meeting. This is not a verbatim record of comments made at the meeting.

3.1 Marie Slyth of West Perth – Items 12.2 and 10.2

Item 12.2

- Spoke against the recommendations, specifically motion 6 which relates to the upgrade of Colvin Lane.
- Also spoke on behalf of her neighbour, Sue, who opposes the recommendation for motion 6.
- Stated that it is hazardous when exiting their driveways into Colvin Lane, because of the speed of passing traffic in the laneway.

Item 10.2

- Spoke against the recommendations.
- Objects to the bike lane due to safety concerns.

The Presiding Member Mayor Emma Cole thanked Ms Slyth for her comments.

3.2 Carol Manus of North Perth – Item 9.1

- Spoke for the recommendations.
- Stated that there is a major shortage of suitable and affordable housing for young adults with mild intellectual disabilities.
- Stated that this proposal would help alleviate the State's housing crisis.

The Presiding Member Mayor Emma Cole thanked Ms Manus for her comments.

3.3 Paul DiFlorio, AdBrands Media of Perth– Item 9.2

- Spoke for the recommendations.
- Stated that AdBrands Media is a small family owned business and tenant of the building at 12 Newcastle Street.
- Stated that digital screens are presently up on the freeway, with no safety reports provided.
- Stated that the proposed screen will not affect the flow of traffic.
- Stated that Main Roads is a referral agency only, which means Council has the final decision making power.

The Presiding Member Mayor Emma Cole thanked Mr DiFlorio for his comments.

3.4 Thomas Corbett of North Perth – Item 9.1

- Spoke against the recommendations, specifically condition 11.
- Stated that condition 11.2 regarding occupancy does not reflect an occupancy limit, which means up to 6 people could live at each of those dwellings, which is too many.
- Requests that Council include some wording specifying an upper limit for occupancy.

The Presiding Member Mayor Emma Cole thanked Mr Corbett for his comments.

3.5 Carlo Giudice of North Perth – Item 9.1

- Lives on Leake Street.
- Stated that he is not averse to the intention to develop the site.
- Stated that he will remove his objection if it is limited to 3 occupants per dwelling.

The Presiding Member Mayor Emma Cole thanked Mr Giudice for his comments.

3.6 Aaron Sta Maria from Urbanisa Town Planning, Perth – Item 12.3

- Spoke for the recommendations.
- Noted that the only change if this proposal was approved would be that the umbrellas would be fixed.

The Presiding Member Mayor Emma Cole thanked Mr Corbett for his comments.

3.7 Dudley Maier of Highgate – items 12.2, 10.3 and 3(B)

Item 12.2

- Stated in respect to Motion 1 that the Mayor, in 2017 during her campaign, she committed to engage with the community on underground power.
- Stated in respect to Motion 3 that the request to include community submissions in reports is to force staff to address the comments.

Item 10.3

- Spoke against the recommendations.
- Stated that no community comments were considered.

Item 3(B)

Raised a number of questions relating to questions previously raised at the 11 February 2020 Council Meeting, for further response by Administration.

1. At the last meeting I asked what items were submitted to the Council Workshop on 28 January 2020. The response I received via email on the 18 February listed nine items that were discussed. The answer included in this week's agenda just lists two of the nine.
 - What is the reason for the discrepancy?
 - What items were discussed or presented at the council workshops of 28 January and 25 February?
2. At the last meeting I asked when changes to the Design Guidelines for William Street and Design Guidelines for Perth were advertised. The response is that they were advertised between 23 October and 11 December 2018. I make copies of all items that are advertised on a weekly basis, and have access to copies of the Voice. While the Built Form Policy was advertised in that period, the design guidelines were not mentioned anywhere in the material concerning the Built Form Policy.
 - What documentary evidence can you provide to show that they were advertised when you say they were?
 - And if you can't, why was I provided with an answer which is not correct and is misleading?

For the purpose of clarity this is not about the relevance of the design guidelines but about the response from the Administration.

3. At the last meeting I asked if a business in the Mt Lawley - Highgate Town Centre wanted to significantly increase patron numbers, but was not proposing a change of use, would they need to seek development approval? The answer is that they don't.
 - Given that the Council decision of 23 July 2019 only related to a change of use, what statutory authority are the Administration relying on to ignore normal planning requirements?
 - What other policies are the staff ignoring?
4. Given that the planning condition imposed by the WAPC on the office building at 246 Vincent Street states the "building shall only be used for the purposes associated directly with the management and administration of sport and recreation" will the City be applying for a change of use if staff members of the Department involved in local government or cultural industries wish to use the building?

Won't it set a bad example to the rest of the community if a change of use is not applied for?

The Presiding Member Mayor Emma Cole thanked Mr Maier for his comments and advised that a response will be provided by email and included in the 7 April 2020 Council Meeting Agenda.

3.8 Andrew Main of Leederville – Item 10.2

Item 10.2

- Spoke against the recommendations.
- Stated that he has safety concerns with proposed bike lane.

Raised several concerns in respect to the property at 54 Cowle Street, Leederville

- Stated that it is an A grade heritage listed property.
- Noted that over the past four years, the property has been constantly vandalised.
- Stated that it is covered in graffiti, the back door is often open, the roof is off.
- Urged Council to take stronger action.

The Presiding Member Mayor Emma Cole thanked Mr Main for his comments and advised that an update would be provided by email and included in the 7 April 2020 Council Meeting Agenda.

3.9 Ken Wibberley of Ecologic Homes – item 9.3

- Spoke for the recommendations.
- Stated that the proposal complies with the majority of the relevant guidelines.
- Stated that the proposal has advantages for the area, as well as retaining the existing building.

The Presiding Member Mayor Emma Cole thanked Mr Wibberley for his comments.

3.10 Maurice Nugent of West Perth – item 9.3

- The applicants referred to their proposed group dwelling as a dual occupancy scenario. Dual occupancy is by definition multiple occupancy which requires certain criteria, which this does not meet. It has to be standalone and a certain size.
- The applicants also suggested this is an all or nothing scenario, they can't afford to demolish and build group dwellings, so we leave them in their current condition or approve their current proposal.

The Presiding Member Mayor Emma Cole thanked Mr Nugent for his comments.

There being no further speakers, Public Question Time closed at approximately 6.32pm.

(B) RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

3.1 Response to Questions from Mr Dudley Maier taken on notice at the Ordinary Council Meeting on 11 February 2020.

- 1. In respect to Item 12.4, stated that the lease of 246 Vincent Street is significantly different from the previous approval in that there is no longer a requirement for the \$1.6 million portion of the incentive to be spent in accordance with an approved schedule of works. On this basis queried whether the City had complied with regulation 10 of the *Local Government (Administration) Regulations 1996*?**

Regulation 10(3) provides that this regulation does not apply to a change of decision unless "the effect of the change would be that the decision would be revoked or would become substantially different." The effect of the 11 February 2020 amendment to Council's decision made at the 10 December 2019 Meeting is that a further \$25,000 of the incentive is paid to the Minister for Works, and there is no requirements for how this portion of the incentive is to be spent by the Minister for Works. The rent and the total incentive payment (40 per cent of the rent) did not change. Therefore it is Administration's view that Council's decision was not substantially different. It is noted that this

item was carried unanimously at the 11 February 2020 Meeting, which would satisfy the absolute majority requirements if regulation 10 was applicable.

2. **Did the City formally approach the Minister with a view of amending the vesting order for Leederville Oval (also known as Reserve 3839), as had previously been done in 1994, prior to the building of the child care centre on a portion of the land. If so, when?**

Administration has discussed the management order for Leederville Oval with State Government officials as part of the Leederville Oval Masterplan process – not the Minister. The City does intend to meet with the Minister for Sport to discuss the Leederville Oval Masterplan shortly.

3. **Can the City confirm that a change of use is just one of a number of circumstances that triggers the need to obtain Development Approval, noting that parking requirements and building works are examples of other triggers?**

Not all changes of use require development approval but, yes, it is one of the circumstances that may trigger the need for Development Approval. Building works would normally require development approval but, again, not in all cases.

4. **Can the City confirm that since the gazettal of the Planning and Development (Local Planning Scheme) Regulations 2015, development approval is not required for a change of use of a non-heritage listed property, if the use is permitted under the scheme, and if there is no works component, or development approval is not required for any of the works component?**

Yes, that is correct.

5. **Has the City been adhering to these Regulations since 2015?**

Yes

6. **Between 2015 and 24 July 2019 would development approval be required for a proposal in the Mount Lawley- Highgate town centre that involved a change of use to one permitted under the scheme but which required discretion in terms of parking provisions?**

Yes, Development Approval would be required in this instance.

7. **Would such a proposal be required to seek such a development approval if contemplated after 24 July 2019?**

No, development approval is not required for changes of use in the Mount Lawley/Highgate Town Centre for 12 months since the commencement of operation.

8. **Is development approval required if a business in the Mount Lawley- Highgate town centre requested a change of use which would see a significant increase in parking requirements from the current permitted use but which does not require any building works?**

No, not for the first 12 months of operation. After 12 months, a development approval is required to continue operating.

9. **Is development approval required if a business in the Mount Lawley- Highgate town centre wants to significantly increase its patronage numbers therefore requiring more parking but does not require any building works and does not propose a change of use.**

No, not for the first 12 months of operation. After 12 months, a development approval is required to continue operating.

10. On 23 July 2019 Council approved advertising changes to policy 7.51 - Minor Nature Development. Why hasn't these policy changes been advertised yet?

The change of use exemption/amnesty is being run as a trial first to inform advertising and consultation material for Policy 7.5.1. Once the results of the trial have been collated, advertising of the policy amendment will have significantly more value than if no results had been collected. Since the Council approved advertising, the State Government has also proposed its own measures to achieve a similar outcome through 'Planning Reform'. The full extent of these proposals must be understood prior to advertising the proposed amendment.

11. On the 18 September 2018 Council noted amendments to the Design Guidelines for William Street and Design Guidelines for Perth and noted that they would be advertised for 28 days. When were the changes to the two design guidelines advertised and why haven't the amendments to these guidelines come back to Council?

The guidelines were advertised between 23 October and 11 December 2018. The changes proposed to the guidelines are contingent on a simultaneous amendment to the Built Form Policy. The proposed modifications to the guidelines will be reported back to Council at the same time as Amendment 2 to the Built Form Policy.

12. What items were presented to the Council Workshop held on 28 January 2020 and which Council Members attended?

The items discussed related to the 2020/21 budget and the Long Term Financial Plan.

13. Why do the reports on the Agenda no longer show the author and the authorising officer of the reports?

This is internal administrative detail not relevant to Council's decision making process. The CEO is the authoriser of all reports to Council.

14. Why hasn't the community funding register for 2019/2020 been placed on the City's website?

The Community Funding Grants Register for the 2019/20 Financial Year is on the City's website under "Accountability and Governance - Publicly Available Council Registers" – link here - <https://www.vincent.wa.gov.au/council/publications/public-documents.aspx>
The register is updated as funding is awarded.

 4. Superseded Advertised Plans 
 5. Summary of Submissions - Administration's Response 
 6. Summary of Submissions - Applicant's Response 
 7. Detailed Streetscape Analysis 
 8. Determination Advice Notes 

RECOMMENDATION:

That Council, in accordance with the provisions of the City of Vincent Local Planning Scheme No. 2 and the Metropolitan Region Scheme, APPROVES the application for three Aged or Dependent Persons' Dwellings at No. 15 (Lot: 5; D/P: 3192) Leake Street, North Perth, in accordance with the plans shown in Attachment 2, subject to the following conditions, with the associated determination advice notes in Attachment 8:

1. Land Use

This approval is for three Aged or Dependent Persons' Dwellings as shown on the approved plans dated 19 February 2020, 27 February 2020 and 28 February 2020. No other development forms part of this approval;

2. Stormwater

Stormwater from all roofed and paved areas shall be collected and contained on site. Stormwater must not affect or be allowed to flow onto or into any other property or road reserve;

3. Boundary Walls

The surface finish of boundary walls facing an adjoining property shall be of a good and clean condition, prior to the practical completion of the development, and thereafter maintained, to the satisfaction of the City. The finish of boundary walls are to be fully rendered or face brick, or material as otherwise approved, to the satisfaction of the City;

4. Visual Privacy

Prior to occupancy or use of the development, all privacy screening shall be visually impermeable and is to comply in all respects with the requirements of Clause 5.4.1 of the Residential Design Codes (Visual Privacy) deemed to comply provisions, to the satisfaction of the City;

5. Schedule of Colours and Materials

Prior to the lodgement of a building permit, a schedule detailing the colour and texture of the building materials (including the retractable screens to the outdoor living areas of Units 2 and 3), demonstrating that the proposed development complements the surrounding area, must be submitted to and approved by the City, prior to lodging an application for a building permit. The development must be finished, and thereafter maintained, in accordance with the schedule provided to and approved by the City, prior to occupation of the development;

6. Landscaping

- 6.1 A detailed landscape and reticulation plan for the development site and adjoining road verge, to the satisfaction of the City, shall be lodged with and approved by the City prior to lodgement of a Building Permit. The plan shall be drawn to a scale of 1:100 and show the following:
- The location and type of existing and proposed trees and plants;
 - Areas to be irrigated or reticulated;
 - The provision of a minimum of 12.2 percent deep soil area, as defined by the City's Policy No. 7.1.1 – Built Form;
 - The inclusion of informal seating in the communal open space area;
 - The inclusion of a shade tolerant lawn variety in the communal open space area; and
 - The provision a minimum of 17.5 percent canopy coverage at maturity, as defined by the City's Policy No. 7.1.1 – Built Form. The tree species are to be in accordance with the City's recommended tree species list and should be selected to maximise canopy coverage on site; and
- 6.2 All works shown in the plans as identified in Condition 6.1 above shall be undertaken in accordance with the approved plans to the City's satisfaction, prior to occupancy or use of the development and maintained thereafter to the satisfaction of the City at the expense of the owners/occupiers;

- walls, letterboxes or fences adjoin vehicular access points to the site; or
- a driveway meets a public street; or
- two streets intersect;

unless otherwise approved by the City;

8. Parking & Access

- 8.1 All driveways, car parking and manoeuvring area(s) which form part of this approval shall be sealed, drained, paved and line marked in accordance with the approved plans prior to the first occupation of the development and maintained thereafter by the owner/occupier to the satisfaction of the City;
- 8.2 The layout and dimensions of all driveway(s) and parking area(s) shall be in accordance with AS2890.1;
- 8.3 Prior to the first occupation of the development, redundant or "blind" crossovers shall be removed and the verge and kerb made good to the satisfaction of the City, at the applicant/owner's full expense; and
- 8.4 All new crossovers to lots are subject to a separate application to be approved by the City. All new crossovers shall be constructed in accordance with the City's Standard Crossover Specifications, which specify that the portion of the existing footpath traversing the proposed crossover (subject to the Footpath being in good condition as determined by the Infrastructure and Environment Services Directorate), must be retained. The proposed crossover levels shall match into the existing footpath levels. Should the footpath not to be in satisfactory condition, it must be replaced with in-situ concrete panels in accordance with the City's specification for reinstatement of concrete

paths;

9. Front Fence

The gate and/or fencing infill panels above the approved solid portions of wall shall be visually permeable in accordance with the Residential Design Codes of WA, to the satisfaction of the City;

10. Right of Way Widening

A 0.5 metre wide right-of-way widening is to be provided, constructed and drained to the specifications of the City of Vincent at the landowner/applicant cost along the North eastern boundary of the subject land (see advice note 8). The right-of-way is to be accurately illustrated on any future Deposited Plan or Survey-strata plan and vested in the Crown under Section 152 of the *Planning and Development Act 2005*, such land to be ceded free of cost and without any payment of compensation by the Crown;

11. Aged or Dependent Persons' Dwellings

11.1 Prior to issue of a Building Permit, the owner must execute and provide to the City a notification pursuant to Section 70A of the Transfer of Land Act 1893 (as amended) to be registered on the Certificate of Title advising prospective purchasers that the use of the land is subject to the aged persons or dependent persons restriction set out in Condition 11.2 to the satisfaction of the City;

11.2 Any Aged or Dependent Persons' Dwelling must be designed and used only for the permanent accommodation of persons who:

11.2.1 are aged 55 years or more; or

11.2.2 have a recognised form of disability requiring special or supported accommodation, and may also accommodate the spouse or carer of those persons;

11.3 The internal design of each dwelling shall be in accordance with Clause 5.5.2 C2.2 - 2.4 of the Residential Design Codes which requires specific design features; and

11.4 The external paths and car parking areas shall be developed in accordance with the requirements of AS4299/1995 – Adaptable Housing; and

12. Alteration to Blade Wall Between Units 2 and 3

Prior to issue of a Building Permit and subject to compliance with the Building Code of Australia, amended plans shall be submitted to the City that reduces the extent that the upper floor blade wall projects out from the building façade between Units 2 and 3 and that faces the right-of-way. The blade wall is to be in line with the vertical portion of the feature awning.

RECOMMENDATION:

That Council, in accordance with the provisions of the City of Vincent Local Planning Scheme No. 2 and the Metropolitan Region Scheme, REFUSES the application for the proposed Third Party Digital Billboard Sign at No. 12 (Lot: 829; D/P: 40498) Newcastle Street, Perth, in accordance with the plans in Attachment 2, for the following reasons:

1. The proposed Third Party Digital Billboard Sign does not comply with the requirements of the City's Policy No. 7.5.2 – Signs and Advertising as it constitutes a Billboard advertising third party content;
2. The proposed size, scale and visual prominence of the Third Party Digital Billboard Sign:
 - 2.1 Would not be compatible with its setting and is inconsistent with Clause 67(m) of the Deemed Provisions in Schedule 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*;
 - 2.2 Would have an adverse impact on the amenity of the surrounding area and is not consistent with the objective of the City's Policy No. 7.5.2 – Signs and Advertising and Clause 67(n) of the Deemed Provisions in Schedule 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*; and
 - 2.3 Would have the potential to impact on the safety of motorists and is inconsistent with Clause 67(r) of the Deemed Provisions in Schedule 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*; and
3. The proposal does not meet the requirements of the Policy and Application Guidelines for Advertising Signs Within and Beyond State Road Reserves, taking into account the submission received from Main Roads WA as per Clause 67(za) of the Deemed Provisions in Schedule 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*.

COUNCIL DECISION ITEM 10.2ALTERNATIVE RECOMMENDATION

Moved: Cr Gontaszewski, Seconded: Cr Fotakis

That Council,

1. NOTES the outcome of the Public Consultation for the proposed Florence Street bike friendly

improvements and Carr Street protected bike lanes;

2. **DECLINES TO APPROVE** the construction of the Carr Street bike network improvements at this time;
3. **APPROVES** the construction of Safe Active Street improvements at this time;
4. **CONSIDERS** the renewal of existing Carr Street cycle treatments and additional works as per the City of Vincent Bike Network Plan 2013 in forward budget planning; and
5. **REQUESTS** Administration notify the Department of Transport of Council's Decision

REASON:

1. There is existing cycling treatments on Carr Street.
2. The City of Vincent Bike Network Plan 2013 does not identify Carr/Florence Street as a proposed strategic cycling route and does not identify Carr Street as a key strategic route for upgrade or improvement.
3. The use of a Safe Active Street grant to fund additional street tree wells and line markings on Florence Street will benefit pedestrians and cyclists by reducing vehicle speed and increasing canopy cover.
4. Budget austerity is likely to be required as part of the response to the emerging COVID-19 pandemic. New, non-essential projects requiring the use of municipal funds should be reconsidered where appropriate.

RECOMMENDATION:

That Council, in accordance with the provisions of the City of Vincent Local Planning Scheme No. 2 and the Metropolitan Region Scheme, REFUSES the application for proposed Four New Multiple Dwellings and Alterations and Additions to Eight Existing Multiple Dwellings at No. 17 (Lots: 1-8; D/P: 4465) Florence Street, West Perth, in accordance with the plans provided in Attachment 2, for the following reasons:

1. The proposed four new Multiple Dwellings are not permitted under Clause 32(1) of the Local Planning Scheme No. 2;
2. The proposed development is contrary to the Local Planning Scheme No. 2 Residential zone objectives as the alterations and additions to the existing Multiple Dwellings would not facilitate high quality design, built form and streetscape within the locality. The design and siting of the car parking results in a visual dominance to the streetscape that negatively impacts the prevailing amenity and character of the neighbourhood; and
3. As a consequence of the scale and intensity of the proposal, the development does not meet the Element Objectives of State Planning Policy 7.3: Residential Design Codes Volume 2 – Apartments as:
 - 3.1 The design and location of car parking does not minimise negative visual impacts on the amenity and the adjoining public domain and is inconsistent with the existing neighbourhood streetscape character and dominates the interface of the development (Element 3.6, Element 3.9 and Element 4.6);
 - 3.2 The provision of screening devices to the private open spaces of Unit 6 and Unit 7 reduce the external outlook from the balcony and adjoining living spaces, resulting in decreased residential amenity for occupants (Element 3.5 and Element 4.4); and
 - 3.3 Units 5 – 8 are not provided with well-designed, functional and conveniently located storage areas, resulting in a decreased amenity on-site (Element 4.6).

10.3 WASTE STRATEGY PROJECT - 8 COMMERCIAL WASTE COLLECTIONS OPTIONS APPRAISAL

Attachments: 1. Business Case - Waste Strategy Project 8: Commercial Waste Collections Options Appraisal 

RECOMMENDATION:

That COUNCIL:

1. NOTES:

- 1.1 the commercial waste collection options appraisal which was a key action from the City's Waste Strategy;
 - 1.2 that the City's current commercial waste service is no longer viable as it does not meet the objectives of the City's Waste Strategy and as a result of the adoption of a FOGO third bin in October 2020;
 - 1.3 that administration will provide a communications plan to Council which supports implementation of any of these options apart from retaining status quo; and
 - 1.4 that rebate considerations from operational savings will be determined and approved as part of the development of the long term financial plan (LTFP); and
2. APPROVES the business case to discontinue commercial waste collection from 30 June 2021.

(Cr Loden was on approved leave of absence for the Meeting.)

(Cr Topelberg was absent from the Council Chamber and did not vote.)

COUNCIL DECISION ITEM 10.3

Moved: Cr Gontaszewski, Seconded: Cr Smith

That Council:

- 1. NOTES:**
 - 1.1 the commercial waste collection options appraisal which was a key action from the City's Waste Strategy;**
 - 1.2 that the City's current commercial waste service is no longer a viable option in the future as it does not meet the objectives of the City's Waste Strategy and as a result of the adoption of a FOGO third bin in October 2020;**
- 2. PROVIDES in-principle support for the discontinuance of commercial waste collection from 30 June 2021 on the basis that Administration:**
 - 2.1 presents a further developed business case to Council for Option 5, including information about potential impacts on commercial ratepayers transitioning to alternative waste services;**
 - 2.2 provides a communications plan to Council which supports implementation of Option 5; and**
 - 2.3 that rebate considerations from operational savings will be incorporated as part of the development of the long term financial plan (LTFP).**

REASON

Because of the current situation and potential impacts on commercial ratepayers.

(Cr Loden was on approved leave of absence for the Meeting.)

COUNCIL DECISION ITEM 11.5**PROPOSED ALTERNATIVE RECOMMENDATION:**

That Council:

1. **NOTES** the Major Public Artwork commission, as recommended by the tender evaluation panel, and as detailed in Confidential Attachments 2, 3 and 4 of this agenda paper;
2. **NOTES** that the commission process did not seek to procure an entry statement artwork in accordance with the approved Arts Development Action Plan;
3. **RESOLVES NOT TO PROCEED WITH** the current Major Public Artwork commission Expression of Interest;
4. **COMMENDS** all participating artists for their submissions and creative briefs, as received in this process; and
5. **REQUESTS** the Chief Executive Officer to provide Council with an agenda paper that:
 - 5.1 **Reviews** the 2019 Major Public Artwork commissioning process; and
 - 5.2 **Presents** an amended procurement process and Expression of Interest, for endorsement by Council by May 2020, for an entry statement artwork.

REASON:

1. The commission of a major artwork as an entry statement was a project identified in the City of Vincent Arts Development Action Plan 2018-2020.
2. The Expression of Interest released in 2019 and subsequent tender and evaluation process did not relate to procurement of an entry statement artwork.
3. The assessment criteria for the design concept placed a weighting on the artwork being context specific.
4. The design selection of the tender evaluation panel is not considered suitable for repurposing as an entry statement as it is highly context specific.
