3 (A) PUBLIC QUESTION TIME AND RECEIVING OF PUBLIC STATEMENTS

The following questions and statements were submitted prior to the Meeting and were read out by the Chief Executive Officer. Administrations' responses will be provided in the Agenda for the 5 May 2020 COVID-19 Relief and Recovery Committee Meeting.

3.1 Jess Karlsson of West Leederville

1. Are City of Vincent planning to contribute available council resources to help deliver the project more efficiently and comprehensively?
(e.g. databases of residents/areas at higher risk, so our communication can target those most at risk quickly, providing staff not fully utilised as 'service delivery volunteers' and available venues within COV)
2. Will the City connect Cahoots with other project leaders so we can work more collaboratively and combine our projects, wherever possible?
(Cahoots, and I do have relationships with several of the listed organisation's CEOs and Exec Teams, however, we believe it would be more efficient if COV provided linkages, with the aim of providing a more coordinated and comprehensive approach.)

There being no further speakers, Public Question Time closed at approximately 5.13pm.

(B) RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

3.1 Andrew Main of North Perth

It is quite noticeable in my area that since the requirement for social isolation, there has been an increased number of people walking and riding bikes. I am interested to know what the City is doing to ensure that impediments to walking and cycling are minimised and that there is adequate space for both pedestrians and cyclists to practice social distancing.

The following are issues that I believe that the City could address.

- The practice where footpaths are obstructed by roadworks signage. For example, this was the case on Vincent Street Leederville on 14 April where there were 3 sets of signs placed on the footpath on the northern side, west of Loftus St. This reduced the width of the footpath by 50%. On 2 April, a trailer mounted sign obstructed the whole footpath on the eastern side of Charles Street on the corner of Lawler St North Perth.
- Council street trees or vegetation from private residences that overhang or obstruct the footpath.
- Vehicles being parked in a manner such that they encroach upon footpaths. This is particularly as issue where perpendicular parking has been constructed by council.
- Vehicles parked on residential verges, meaning that it is not possible for people to walk on the verge to pass people safely. Such as, in instances when people are walking on the footpath toward each other.
- Sand or other debris such as leaves, gumnuts etc, lying on the footpath.
- The prevalence of signposts, or lightpoles erected in the middle of footpaths, making these tricky to negotiate.
- Shopping trolleys being left on footpaths near shopping centres.

The City will investigate issues when reported and take the appropriate action.

With higher rates of cycling and walking, and low vehicular traffic volume, is the council looking at how road space can be reallocated and set aside for active transport users, as is happening in other cities and countries? Is the council considering how to make streets safer for active transport users by filtering to reduce rat runners and drivers travelling at high speeds?

There are no plans to do anything specific in the short term in relation to COVID-19. The City is developing its Integrated Transport Plan.

4 DECLARATIONS OF INTEREST

- 4.1** Cr. Castle disclosed a conflict of interest in Item 10.1 – ‘Leederville Gardens Inc. Trust – COVID-19 Relief Fund Recommendations’. The extent of Cr Castle’s interest is that in 2019 and 2020 her daughter participated in an unpaid, voluntary educational program conducted by one of the applicants.

POLICY NO: 3.10.11**COMMUNITY FUNDING****OBJECTIVES**

- To provide financial assistance through grants, sponsorship, donations, waivers and in-kind support which assist groups, organisations and individuals to deliver positive community outcomes
- To utilise community funding as a strategic opportunity to strengthen quality of life within Vincent through improved community engagement, partnerships and participation
- To complement and support both Council and community priorities through a range of community funding initiatives

POLICY STATEMENT

The City of Vincent recognises that community funding provides a significant opportunity to work collaboratively with the local groups, organisations and individuals to deliver activities which increase social participation, promote social inclusion and strengthen connections within our community. A variety of funding initiatives are offered each year to meet the diverse range of interests, demands and priorities throughout the Vincent community.

1. DEFINITIONS

“Donation” is a cash contribution to an organisation or group for the purpose of assisting an activity, event or program with a charitable, welfare or community service orientated purpose.

“Fees and Charges” are stipulated monetary amounts established through Council's Annual Fees and Charges Schedule and levied where an organisation, group or individual seeks to use of a City of Vincent managed facility or reserve.

“Grant” is a cash contribution made to an organisation or group for the sole purpose of delivering a specific project with mutually agreed outcomes and performance measures. Grants must be fully acquitted at the conclusion of the project.

“In-kind donation” is a contribution to an organisation or group through the provision of City of Vincent services, resources and facilities although no monies are physically exchanged.

“Sponsorship” is a cash and/or in-kind contribution to an organisation or group for a specific purpose or event where the City of Vincent receives public recognition for its contribution in a manner negotiated by both parties. Sponsorship must be fully acquitted at the conclusion of the project or event.

2. BACKGROUND

- (a) The City of Vincent regularly receives requests from a range of community groups, organisations and individuals for the provision of financial support towards projects, programs, events and other initiatives. The total sum of these requests exceeds the level of financial support available, and as such, it is not possible to provide support in every instance.
- (b) This Policy outlines the various Community Funding opportunities available from the City of Vincent with the specific funding category purpose and eligibility criteria then guiding the level of financial support that may or may not be provided.
- (c) The Community Funding opportunities outlined in this policy are solely for the purpose of delivering positive outcomes in the City of Vincent for the local community.
- (d) Applicants are not guaranteed funding and no applicant can be guaranteed full funding. Any initiatives previously supported through Community Funding cannot be guaranteed funding in future years and this should be closely considered when developing an application.
- (e) This Policy is supported by specific funding category guidelines, criteria and application forms that Administration may update from time-to-time to ensure Community Funding reflects Council and community priorities.
- (f) The availability of financial support remains subject to Community Funding allocations within Council's Annual Budget that may vary from year-to-year based upon Council and community priorities.
- (g) Council's Advisory Groups may be consulted in the assessment of Community Funding applications based upon their Terms of Reference and specific expertise.

8 ANNOUNCEMENTS BY PRESIDING MEMBER (WITHOUT DISCUSSION)

Although it was sad that Anzac Day services could not go ahead in the normal way there were some great moments of silent reflection. The light up the dawn event, with people tuning in to the broadcast from the War Memorial, had a big turnout, with reports across the community of bugles and other instruments being played from driveways. Former Councillor Jimmy Murphy played his bugle in Hyde Park. There were parts of the days that were beautiful and it would be nice to see some of that carried forward in future years.
