5 ANNOUNCEMENT BY THE PRESIDING PERSON

As 2022 draws to a close, on behalf of Council, I would like to thank the CEO, Executive management and staff for their collective efforts to deliver quality Waste management services to our MRC member communities, and for exploring future waste management options that can benefit our communities well into the future.

The past 12 months have been very challenging for the MRC and all member councils as we have all experienced ongoing staff shortages, reductions in front facing services, and the negative impact of rising costs. Council really appreciates the commitment and enthusiasm shown by the MRC administration even when it seemed hard to keep calm and carry on every day.

Thank you to all of the member council officers who assist MRC councillors to be well informed, and who have worked closely with MRC as we navigated preparations for a WTE tender and a FOGO tender.

Finally, I would like to thank my Council colleagues for your patience and good humour as we worked via a hybrid environment for part of this year, for your contributions to the important decisions of Council, for your respect for each other in discussions and debates, and helping me to perform the role of Chairperson. I wish everyone a peaceful and joyous Christmas and festive season with your family and friends, and look forward to seeing you all refreshed in 2023 for the important work that lies ahead.

9.5	ANNUAL REPORT 2022
	GF-21-0000035
Appendices:	Appendix 7
Date:	8 December 2022
Responsible Officer:	Chief Executive Officer

BACKGROUND

The *Local Government Act 1995* (the Act) requires every local government to prepare an Annual Report for each financial year and to accept it prior to 31 December following the end of the financial year (section 5.53 and 5.54 of the Local Government Act 1995). The Act also specifies the contents required to be included in the Annual Report. If the auditor's report is not available in time for the annual report for a financial year to be accepted by 31 December after that financial year, the annual report is to be accepted by the local government no later than two months after the auditor's report becomes available.

The annual audit of the Mindarie Regional Council (MRC) has been completed and the Financial Report for the financial year ended 30 June 2022 has been considered by the Audit Committee.

DETAIL

The Annual Financial Report for the financial year ended 30 June 2022 is now submitted to Council for adoption. The Annual Report contains the Annual Financial Report of the MRC for 2021/2022. This includes the Statement of Financial Position, Statement of Changes in Equity, Statements of Comprehensive Income, Statement of Cash Flows and notes to and forming part of the accounts. The Auditor, in accordance with the Local Government (Audit) Regulations 1996 Sections 10.2 and 10.3 is required to issue an audit report after the completion of the annual audit that expresses an opinion on the financial position and results of the operations of the local government for each financial year. Under S7.9 of the Local Government Act 1995, the auditor must prepare and sign a report on the financial audit and present the report to the Chairperson, the CEO and the Minister.

The OAG issued an unqualified report and expressed that in their opinion, the financial report of the MRC gives a true and fair view of the financial position as at 30 June 2022 and complies with the Local Government Act 1995 (as amended), the Local Government (Financial Management) Regulations 1996 (as amended) and the Australian Accounting Standards.

The Auditor has not issued an interim management letter for 2021/2022. In the final Management Letter that was presented to the MRC only one finding, carried over from prior year's audit was raised and relates to the Long Term Financial Plan and Asset Management pPlan not being reviewed and approved since April 2017. This has been addressed by the management, the date for review has been deferred to 30 June 2023 to coincide with the new Strategic Community Plan.

The Audit Committee met on 1 December 2022 to consider the Financial Report for the year ended 30 June 2022 and have recommended that these be accepted by the Council. The unconfirmed minutes of this meeting are included in the Members' Information Bulletin.

A copy of the Annual Report, including the Financial Report, is included at **Appendix 7**.

The MRC, in accordance with the Local Government (Financial Management) Regulations 1996 Section 51.1, is required to include in the annual Financial Report a signed Statement of Declaration by the Chief Executive Officer after this report has been audited in accordance with the Local Government Act 1995. This declaration is included in the Annual Report.

9.6 GENERAL INSURANCE RENEWAL 2022/23	
File No:	GF-21-0000495
Appendices:	Nil
Date:	8 December 2022
Responsible Officer:	Chief Executive Officer

SUMMARY

This report seeks to update Council on the progress of an investigation in to the advantages and disadvantages of undertaking a regular cyclic process of publishing public tenders for general insurance services, as per previous council resolution.

BACKGROUND

At the 30 July 2020 Audit Committee Meeting, a query was raised as to why the Mindarie Regional Council (MRC) had not gone out to tender for its general insurance renewals.

At that time, the MRC sought advice from WALGA, which held the view that local governments do not need to go out to tender for insurance services purchased from LGIS.

Accordingly, the MRC has continued to access general insurance services through LGIS. These practices have continued since.

On 24 March 2022 a report was presented to Council that highlighted the results of a review undertaken on the experiences of other Western Australian local governments with respect to accessing adequate insurance provision in the current market, and sought endorsement of the recommendation to renew general insurances for 2022/23, Council resolved:

That the Council:

- 1. Notes the information contained in this report.*
- 2. Recommends that the MRC does not undertake a public tender process for the provision of insurance services, and continues to remain within the LGIS WA local government group self-insurance scheme.*
- 3. Requests the CEO to investigate the advantages and disadvantages of undertaking a regular cyclic process for undertaking a public tender process for insurance services, and if necessary to seek independent expert advice, and bring a report back to Council by December 2022, including a recommendation for the procurement of insurances services in 2023.*

DETAIL

On 16 August 2022 the administration sent out a request for quotation to risk advisory consultants, seeking independent expert advice to review the MRC's current insurance arrangements, develop a tender, assist in the evaluation of responses and provide an assessment report.

At the time of close two proposals were received:

- *Risk Advisory Services* provided a short proposal, with minimal information, stating a service fee of circa \$25k.
- *Procurement Australia* provided a detailed proposal, stating a service fee of \$15k.

COMMENTS

Given the level of detail provided, Procurement Australia's response was considered to be the highest value proposal when compared to that received from Risk Advisory Services.

Accordingly, the MRC engaged Procurement Australia's services on 16 September 2022. It is expected that a tender for the provision of insurance services shall be released in late January 2023, and an evaluation report finalised by March/April 2023. The Administration intends to present a report to the 27 April 2023 Ordinary Council meeting with the outcome of the review and evaluation of the insurance tender.

LGIS were formally advised that the MRC had resolved to release a formal tender for the 2022/23 insurances on 28 November 2022, and asked to provide an initial response to this decision. Their response is provided, below:

- *"The Scheme will not be in a position to respond to an 'insurance broking / insurer' tender as the mutual is neither an insurer nor an insurance broker. MRC would need to ensure the tender is crafted in a manner that would allow the mutual to respond.*
 - *Members may only withdraw membership from the Scheme at the expiry of a fund year (30 June) provided that at least 60 days' notice is given (please refer to Section 35.1 of the LGISWA Scheme Rules available from the Members Section of the LGIS website). The email below does not suffice as formal notification of exit.*
 - *We note the timing of the tender (early in January/ February) will limit our ability to respond. LGIS does not respond to speculative pricing and would be reluctant to provide terms outside our usual renewal cycle.*
 - *Membership of the Scheme provides MRC with a whole of risk approach to protection and LGIS provides a single membership and cost. Exit of any one protection would result in MRC existing all protection policies offered by LGISWA.*
 - *We would also like to add that MRC, along with all Cities, Towns and other Shires across the State, was gazetted by the Minister as an "exempt employer" under the Act. This has placed it as part of a self-insured group (WA Local Government Sector,*
-

through the LGIS WorkCare Scheme) for workers compensation. Withdrawing from this arrangement in favour of a return to the workers compensation system through insurance arrangements, would require application to, the Minister and publication of his approval of the change in the Government Gazette. Please note there are regulatory requirements under WorkCover to apply for exit. We are happy to provide MRC with copies of same if this has not been considered by PA. I believe the period of notice is 90 days

- *Exit of the Scheme would obviously lead to a loss of access to a range of complimentary risk services across Injury Management, LGIS Health and Wellbeing, Liability Risk Management, Organisation Risk Management, Occupational Safety and Health and HR Risk Management.”*

The administration is currently assessing these responses, and will work with Procurement Australia to ensure that all necessary steps are taken to undertake a compliant tender process that takes account of the apparent prerequisites and timelines highlighted by LGIS.

RESPONSIBLE OFFICER RECOMMENDATION

That the Council:

- 1. Notes the information contained in this report.**

9.7	MINDARIE REGIONAL COUNCIL ORDINARY COUNCIL MEETING AND STRATEGY WORKSHOP DATES FOR 2023
File No:	GF-20-0000469
Appendix(s):	Nil
Date:	02 December 2022
Responsible Officer:	Chief Executive Officer

SUMMARY

The purpose of this report is to provide notice of the dates, times and locations for the Mindarie Regional Council's (MRC) Ordinary Council Meetings (OCM) and to provide advice regarding Strategy Workshops (SW) for 2023.

BACKGROUND

In accordance with the *Local Government Act 1995*, the MRC is required to schedule OCM's for the forthcoming calendar year and provide public notice of their dates, times and locations. In addition, the MRC also set two SW dates for the year.

DETAIL

In setting the dates for the 2023 OCM's consideration is given to the following:

- The Tamala Park Regional Council meeting dates for 2023
- The WALGA Metropolitan Zone meeting dates for 2023
- The Australian Local Government Association (ALGA) Annual Conference
- Relevant Waste Conferences
- Availability of Member Councils' Chambers.

To achieve compliance and present financial reports within 2 months after the end of the month to which the statement of financial activity relates in accordance with *s.6.4 of the Local Government Act 1995* and *s.34(4) of the Local Government (Financial Management) Regulations 1996*, the MRC are required to meet 7 times in 2023.

With a view to trying to achieve compliance, and at the same time being mindful of conflicting priorities, the following meeting dates are proposed for consideration:

23 February 2023	6.30pm	City of Joondalup	OCM
27 April 2023	6.30pm	City of Wanneroo	OCM
01 June 2023	6.30pm	Town of Cambridge	OCM
13 July 2023	6.30pm	City of Stirling	OCM
21 September 2023	6.30pm	City of Vincent	OCM
30 November 2023	6.30pm	Town of Victoria Park	OCM
14 December 2023	6.30pm	City of Perth	OCM

Traditionally the MRC also holds two strategic workshops which are usually included in the meeting schedule. These workshops are important as they provide Councillors, member council CEOs and representatives on the Strategic Working Group and MRC management an opportunity to review and discuss the MRC's strategic direction.

The MRC held a SW on 10 September 2022 and a follow up SW is planned for 2 February 2023. The MRC propose to consult with the Chair after the 2 February 2023 SW to decide on the timing of future SWs in 2023.
