PRELIMINARY

INTRODUCTION

~~The City of Vincent owns and controls various land assets within the district, some of which, have the potential to secure the optimum use of those assets and to achieve positive long term planning, economic and environmental outcomes for the City.~~

~~The Property Management Framework sets out Council's adopted approach to leasing and licensing of City facilities. This Framework supports the City to meet the growing community needs and maximise community benefit while ensuring transparency and equity.~~

~~To meet the Strategic Community Plan's objectives of 'Connected & Healthy Community' and 'Thriving Places', City owned and managed properties will primarily be available for local not-for-profit organisations, community groups and other community purposes.~~

~~It is necessary for the City to have a defined approach to the investment and disposal of its land assets to ensure a consistent and transparent approach to making land related decisions.~~

PURPOSE

The purpose of this policy is to provide a framework for the Strategic Property Management of the City's Property Portfolio.

OBJECTIVE

The objective of the Policy is to provide a framework to facilitate the effective and strategic management of the City's Property Portfolio by:

1. Maximising the performance of the City's Property Portfolio and ensuring that the acquisition, management, capital investment, development and/or disposal of property:
 - (a) is consistent, transparent and compliant;
 - (b) makes best use of the City's Property Portfolio; and

PROPERTY INVESTMENT AND DISPOSAL POLICY

- (c) leverages the City’s Property Portfolio in the pursuit of the community aspirations as contained within the Strategic Community Plan and Corporate Business Plan.
- 2. Maintaining a property portfolio that is resilient to changes in market conditions and generates a diversified revenue to ensure the long-term best interests of the community; and
- 3. Ensuring that the acquisition and disposal of property is undertaken in an open market format to ensure due probity of process and optimal financial return within an acceptable level of risk.

SCOPE

The Policy applies to the decision making of all transactions related to the City’s Property Portfolio, including acquisition, management, capital investment, development and disposal.

The Policy does not apply to Crown Land where the use or development of the land by the City must be consistent with the relevant Management Order or other basis for the City’s control of the land.

PROPERTY INVESTMENT AND DISPOSAL POLICY

2. KEY PRINCIPLES FOR STRATEGIC PROPERTY MANAGEMENT

The City will assess and make determinations on Strategic Property Management opportunities on a case-by-case basis having regard to the objectives of the Policy and the following principles as they are relevant to the opportunity. The list of principles is not ranked in order of priority:

- Alignment with current or future service delivery outcomes identified in the Strategic Community Plan or Corporate Business Plan.
- Financial return or Future Development Potential including long term yield on property investment and positive economic development outcomes.
- Contribution to economic, environmental or community benefit to the City of Vincent district.
- Compliance with statutory requirements in particular the requirements of the *Local Government Act 1995*.
- Fair and equitable.

2.1 Disposal Guidelines

In addition to the key principles, the following matters may be taken into consideration (although not exhaustive) when disposing of the City's Property Portfolio:

- The land is identified in a Council adopted strategy, budget, analysis, policy or planning scheme as being surplus to its requirements or not required to be owned by Council
- The sale price would be equal or more than the current market value assessed by a licensed valuer, unless Council can justify the circumstances to sell the land at less than market value;
- Matters affecting the land:
 - any proposed sale or lease of Public Open Space (POS) would be subject to an assessment of the demand, supply, quality and quantity of POS in the vicinity;
 - undertake due diligence including confirmation of land boundaries, encroachments on the land, planning and appropriate zoning, before the disposal transaction is commenced;
 - due regard to environmental constraints or requirements that may apply to the land. Duty to manage risks of harm and notify the relevant agencies;
 - consideration of conservation values including historical, cultural, heritage and native title and Traditional Owners/Custodians of the land rights. Consultation with relevant agencies;
 - long term lease options with income generating opportunities and service to the community,

- risk considerations and if the land presents unacceptable risks which are too great to proceed with the transaction.

2.2 Acquisition Guidelines

In addition to the key principles, the following guidelines may be taken into consideration (although not exhaustive) when acquiring land:

- Identified in a Council adopted strategy, budget, analysis, policy or planning scheme as being a required asset for financial reasons, economic development reasons and/or to support or facilitate the delivery of a service within the City's strategic objectives
- Offer based on up-to-date market valuation assessed by a licensed valuer
- Building asset condition and maintenance considerations
- Matters affecting the land:
 - undertake due diligence including confirmation of land boundaries, encroachments on the land, planning and appropriate zoning, before the disposal transaction is commenced;
 - due regard to environmental constraints or requirements that may apply to the land.
 - consideration of conservation values including historical, cultural, heritage and native title and Traditional Owners/Custodians of the land rights. Consultation with relevant agencies.
 - risk considerations and if the land presents unacceptable risks which are too great to proceed with the transaction.

3 Council Resolution and Statutory Compliance

In accordance with the provisions of the *Local Government Act 1995* (LGA) and the corresponding regulations including but not limited to s 3.58 of LGA on disposing of property, the following will apply:

3.1 Disposal

A decision of Council is required for approval to commence the statutory process to effect and negotiate the sale of the City's Property Portfolio and for a final decision on the proposed sale after the completion of the statutory process.

3.2 Acquisition

Where a land assessment review has been completed and it has been determined that the land should be acquired, a decision by Council is required for approval to commence the acquisition process, negotiate the acquisition terms and to consider how to fund the proposed acquisition.

4 Proceeds of Sale

PROPERTY INVESTMENT AND DISPOSAL POLICY

Proceeds of sale from disposal of the City’s Property Portfolio will generally be allocated to the City’s Municipal Account unless otherwise directed by Council or set out in the annual budget.

5 Major Land Investments

Any major land transactions which strategically represent major investment opportunities/proposals for the City, are dealt with outside the Policy given they involve a variety of strategic investment and operational considerations.

6 Unsolicited offers

- 6.1 Where an organisation or individual intends to make an unsolicited offer to purchase any one of the City’s Property Portfolio, it must present an official written offer, addressed to the Chief Executive Officer.
- 6.2 Such a request must be signed by that person or a person who is an authorised officer of the organisation, and forwarded to the Executive Manager Corporate Strategy and Governance.
- 6.3 Details of the offer will be presented by the Executive Manager Corporate Strategy and Governance to the Executive Director, Strategy and Development or the Chief Executive Officer for consideration.
- 6.4 If the offer meets the key principles and disposal guidelines, the offer will be referred to Council for consideration.
