20/8/2024	A petition with 16 signatures was received from Trent Negus of Mt Lawley, requesting that Council install a 3 hour parking limit at the intersection of Joel Terrace and Mitchell Street and surrounding area, due to the fact that Mercy Hospital employees are taking up all the parking in the area all day. The intersection and street are now dangerously overcrowded and there has already been an accident last week because of the parking of hospital employees, patients and visitors.	EDIE	Petition received. <ul style="list-style-type: none"> The lead petitioner has been contacted and advised a letter will be sent to surrounding residents seeking their comments on proposed parking restrictions if warranted. This will not only include Joel Terrace residents but residents in surrounding streets where there are currently no parking restrictions. Parking occupancy surveys are currently being conducted by the Rangers. We are in the process of setting up a meeting with a hospital representative to discuss the parking issues.

EDIE	<p>Petition received.</p> <ul style="list-style-type: none"> • Investigation into short term measure to resolve parking issues along street. • City will investigate further options once power is underground which will hopefully result in additional parking spaces. • Consultant reviewing potential left out only onto Charles St. • Internal review conducted and measures have been put in place to ensure residents are consulted in the first instance. • Email response sent to lead petitioner detailing the above.
